

GORDON RICHARDS HOUSE (Apartment 5)

Exclusive luxury is available in 'Gordon Richard's House', a contemporary apartment building comprising eight generously proportioned two double bedroom properties across three floors and a one-bedroom penthouse with extensive external space; providing the finely crafted design you want, and the perfect place to end a busy day, all offering modern intelligent design nestled on the edge of Carlisle's historic racecourse.

Apartment 5, located on the first floor, is a two-bedroom, two-bathroom home that has been designed for modern family life. Comprising a large open plan living / dining space, with adequate space for family living. French doors open out on to a private balcony overlooking the racecourse and fells beyond. A separate laundry room maximises space.

There are two above average double bedrooms, the master also having the benefit of a modern ensuite bathroom. A large and modern well equipped shower room serving the rest of the household.

FEATURES:

- Solid oak parquet flooring to apartment entrance hall.
- Porcelain floor tiles included to kitchen / dining area, WC, shower room and ensuite.
- Porcelain wall tiles to shower room and ensuite.
- Bespoke fully fitted kitchen in a range of colours and expansive granite worksurfaces and we also install fully integrated appliances including integrated dishwasher and an integrated fridge freezer, plus Neff induction hob, oven, and combination microwave.
- Double French Doors from kitchen / diner to private balcony.
- Two large sized double bedrooms.
- Master bedroom with ensuite.
